Example calculation

By means of the calculation below, you can determine the net amount. In most cases, you are entitled to childcare benefit. Through "mijntoeslagen" (my allowances), you have the possibility to calculate your personal situation.

Daycare (0 to 4 years)

52 weeks: hourly rate x 11.5 hours x 52 / 12 x number of days of care

40 weeks: hourly rate x 11.5 hours x 40 / 12 x number of days of care

Outside School Club (4 to 12 years)

52 weeks

- School weeks: hourly rate x 4 hours x 40 / 12 x number of days of care
- Vacation weeks: hourly rate x 11.5 hours x 12 / 12 x number of days of care

40 weeks

- School weeks: hourly rate x 4 hours x 40 / 12 x number of days of care

Warm evening meal

In addition to the included warm lunch, we also offer warm evening meals. Evening meals are served daily between 4:30 PM and 5:00 PM.

A warm evening meal costs €4,50. You pay a fixed monthly amount:

52 and 46 weeks contract - the amount is calculated based on 46 weeks.

40 weeks contract - the amount is calculated based on 40 weeks.

Prices are billed monthly as part of the daycare invoice.

Evening meals are served daily between 4:30 PM and 5:00 PM.
